

STORAGE BACK OF AC

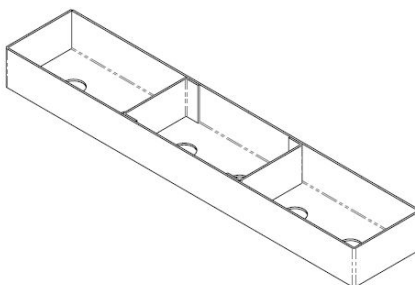

OVERVIEW

The Sales Department would like to inform the dealer network that the standard 11031690 STORAGE COMPT, BACK OF HEAT/AC UNIT option has been discontinued, and the following options have taken its place. We hope this adds further clarity for the dealer network, and production on storage options mounted on the back of the AC unit. Please refer to the images with the new options below. These images can also be found in SQS2 by clicking on the question mark icon next to the option.
