

## CENTER CONSOLE EXTENSION OPTION

### OVERVIEW

The Sales Department would like to inform the dealer network that the center console option for the X15 engine has been updated. All previous options for the X15 will no longer be available. Please reference the below option and configuration for future reference. This option is also available on the L9 and X12 engines in place of the center console storage options. If you have any questions please contact your STM for further assistance.
