

## STB-0105 – Air Horn Offerings – Update (Revised 1/14/25)

---

### OVERVIEW

In an update to the original STB-0105, Sutphen will now offer Air Horns by Grover on all products for the foreseeable future.

Air Horns by Grover has proven itself capable of providing the number of air horns needed within its quoted lead time.

Moving forward, air horns restrictions within SQS2 will be lifted.

While future air horn restrictions may be lifted, please note that apparatus previously ordered with Hadley Air Horns will not be modified. Those apparatus will move forward with Hadley Air Horns installed.

If you have questions or need additional information, please contact your project manager.
